

CPPFES2005

Demonstrate First Attack Firefighting Equipment

Duration: 2 hours

Who should attend?

Any person who, in the course of their duties may be required to operate a Portable Fire Extinguisher. Eg. Managers, supervisory staff, team leaders, safety representatives, WHS committee members, safety officers and WHS Coordinators.

Aim

To provide participants with a basic understanding of types and operational use of Portable Fire Extinguishers.

Objectives

On successful completion of this course you will be able to:

- Explain the Fire Triangle
- Identify types of fire
- Identify types of Portable Fire Extinguishers
- Successfully select the right type of Extinguisher to use
- Identify Standard Fire Orders

Upon successful completion of the course participants will be issued with a Nationally Recognised Statement of Attainment.
